do I want to be nice?

yes! then... one more time...!

but what do I do...?

of what, of whom am I talking about?

who am I talking to?

I design novel characters for the show, these silhouettes will be in the shops during the 6 months to come ... fictional or everyday life characters ... those you like to meet in Paris, Tokyo, New York or Hong Kong...

Invie de faire plaisir?

Oui! alors, --- one more time ---!
mais qu'est ce que je fais ---?
de quoi, de qui je parle?
à qui je parle?

Je crée pour le défilé à
travers ce qui sera dans
les boutiques au cours
des 6 mois qui viennent
quelques personnages de
Roman --- ou de la vie
quotidienne --- ceux que l'on
aime croiser à Paris, Tokyo
New York ou Hong Kong ---

A high-angle photograph of a large school of fish swimming in dark green water. The fish are scattered throughout the frame, with some appearing closer and larger, and others further away and smaller. The water has a textured, slightly rippled surface, and the overall color palette is dominated by various shades of green and blue, with some fish showing silvery or brownish tones. The fish are captured in various swimming postures, creating a sense of movement and depth.

Nicolas Floc'h

photo of fish taken from a promontory overlooking the sea of the Basque coast by Nicolas Floc'h, resident artist on the schooner Tara during the Tara Pacific expedition between Tokyo and Keelung and which evokes the Glaz, variable color ranging from green to blue in Breton!
